STUDENT SATISFACTION SURVEY 2015 -2016

Student Satisfaction Survey (SSS) is one of the mandatory criteria set by National Assessment and Accreditation Council (NAAC). It is also a pre qualifier for Assessment and Accreditation of the institution.

A questionnaire with 12 questions was prepared by the committee. It was decided to collect feedback online from the students.

For each question, students will have to select one option which are assigned different weightages like Excellent, Very Good, Good, Poor.

The questions in the questionnaire included the overall parameters of the college like

- Quality of Teaching Faculty
- Course Availability
- Academic Advising
- Access to Teaching Faculty
- Rating the Campus
- Class and Lab Facilities
- Library
- Public Transport
- Parking
- Hostel
- Food
- Sports and Fitness Facilities
- Career Counselling
- Placement Support

An online form with the above questions was created and circulated to students to know their opinion about all the above parameters and the following responses were noted. A total of 3000 students responded to the above questions. Each question in the NAAC SSS format is aimed at collecting factual opinion of students on curriculum, availability of courses, academic support, reaction of the students regarding pedagogy, attitude of teachers, career counselling, placement possibilities, curricular and extra-curricular activities, overall impression and suggestions about the college. Each question in the survey one or the other educational goal. This simple but important exercise definitely helps to improve the relevance of teaching and learning. This survey corresponds to an institute level feedback on infrastructure and learning experience.

Key Findings from the Survey

- A high percentage of students (78%) show complete satisfaction over the quality of Teaching Learning in our college.
- Students have expressed overall satisfaction regarding the course availability, Class & laboratory experiments (90%), availability of the teachers (87%) and academic advising (95%).
- The college provides ample opportunities for cultural activities, sports activities and extracurricular activities. The students have opined that college also provides good environment for emotional growth of students.
- The students have expressed satisfaction regarding the placement, library facility, skill development programme run by the college.

- Students appreciated the facilities available on the campus like hostel, food, parking and sports facilities.
- Students have also acknowledged the different workshops, Hands on Sessions and interdisciplinary learning programmes, NCC Camps, NSS Camps, organization of various seminars. This has helped students in learning other subjects/ practicals which were beyond their prescribed curriculum.

The SSS has also pointed out few grey areas where the college/ teachers/ departments do have scope for enhancement in quality of education. They are as follows:

- Institute needs to promote internship, student exchange and field visit opportunities.
- Formulate mechanism which will identify strength and weakness of students and provide them right level of challenges and help them to overcome their weakness.
- Teachers should encourage research culture amongst students.
- More emphasis on skill development and hands on assignments, inclusion of seminars, workshops and field visits for typically one subject.
- Design interdisciplinary courses.

The College Authority give utmost importance to the findings of this survey because this way students come to believe that even they have a say in policy making. This was even we try to be true to the motto of our college, "we for Students". This approach of participative policy making is satisfying for students. It is always impossible to please everyone but often we try to strive towards keeping most of them happy, most of the time.
