Under Performances Student Mentoring and Parent Teacher Committee

A Mentor adorns the role of a second parent in whom the mentee confides. Holistic development of a mentee is the sole concern of a mentor. This performs the following functions.

- ✚ Meet the group of students at least twice a month.
- ✚ Continuously monitor, counsel, guide and motivate the students in all academic matters.
- ✚ Advise students regarding choice of electives, project, summer training etc.
- ✚ Advise students in their career development/professional guidance.
- ✚ Keep contact with the students even after their graduation.
- ✚ Intimate HOD and suggest if any administrative action is called for.
- ✚ Maintain a detail progressive record of the student (format attached).
- ✚ Maintain a brief but clear record of all discussions with students.

The parent teacher Committee aims at bridging the gap between parents, students and teachers, keeping parents inform about their wards performance and progress, discussed the causes behind the student behavior and performance. This enables the parents to know about the areas of improvements of their ward, so that they make him/her work towards improvement in the courses required. This meeting provided a platform where the parents and teachers also got to know about each individual personally, so that they can plan accordingly for better results and growth of our students. Overall, it is a platform for sharing the suggestions that helps in improving our students' progress.

Learning Based Outcomes Committee

Academic audit provides an opportunity to enhance the quality in teaching – learning process, which is conducted at three levels, Faculty level, Department level and College level.

- ✦ This is first level and is self-analysis by faculty handling their respective courses. Faculty will analyze a) Course outcomes b) CO-PO mapping CIE Bar graph SEE grade distribution and CO attainment.
- ✦ Department audit committee will audit the following parameters such as best academic practice in the department, courses which need COs to be redefined courses where CIE is of concern.
- ✦ The IQAC cell conducts the college level audit once in a year. The audit team comprising of a team of senior professors along with a few subject matter experts for each department is formed to audit the various academic and departmental activities. The committee lists their observations with regard to best academic practices of the institution, identify the grey areas and suggest for the any improvement required there off.
- ✦ The summary of this audit report is prepared, placed and used for outlining an action plan to improve the quality of the academic activities.

Placement Committee

The Institute's Placement & Training Cell is an important component that influences a student's future. This cell is committed to aiding students in reaching their professional goals by building job-search skills and, ultimately, acquiring desired positions. This is accomplished by creating strong relationships among students, alumni, professors, and companies.

AMC Engineering College has a centralized placement process that ensures that each branch has an equal opportunity to advance in their careers through training and placement. In order to help students develop their academic and career interests and achieve their short- and long-term goals through individual counselling and group discussion, a Training and Placement Cell has been formed with the following key objectives.

- Assist students in formulating and implementing effective job-search strategies.
- Integrate career planning with academic curriculum in collaboration with academics, department leaders, and administration.
- Empower pupils with the ability to make long-term career decisions.
- Providing materials and activities to help people plan their careers.
- Serve as a liaison between students, alumni, and the job market.
- Students should be informed of their future employment possibilities.

Sports Committee

A Sport Committee is a hierarchical organization that exists to encourage and grow student interest in a specific sport or physical activity. A Sports Committee Chairman, Physical Education Director, and committee members from each department make up the AMCEC Sport Committee. The Sport Committee Chairman is largely an advisor and resource person for members of the Sport Committee, and is available to help representatives with committee work. It is the role of the Physical Education Director to supervise activities and ensure that all college processes are followed, to support the committee in adopting sound safety measures, to facilitate sports activities, and to ensure that all rules and procedures are followed.

National Service Scheme

NSS encourages students and volunteers to engage in social responsibility and hands-on learning. Any professional who wants to thrive must have a service mindset. The National Service Scheme, the Red Cross Society, the Road Safety Club, the Swachh Bharath Abiyan, Blood Donation Camps, Covid-19 Vaccination Camps, and other extension initiatives are only a few examples. Extension programmes help engineering graduates strengthen both their professional and life skills. Students go to the adopted communities to participate in field activities and learn about the inhabitants' daily life.

Recruitment Committee

The Recruitment Committee's major goal is to assess the college's need for teaching staff and develop a strategy for recruiting qualified teachers on merit with the following duties.

- This committee oversees the recruiting process, including the recruitment seminar, and offers recommendations to the chairman about individual faculty member recruitment.
- To find strategies to encourage, promote, and strengthen faculty intellectual development and renewal, as well as faculty participation in academic and professional organizations.
- Developing the rules and methods necessary to perform annual monitoring of faculty intellectual contributions in order to ensure consistency and continuity of effort in areas relevant to the College's purpose.
- Developing criteria to ensure that faculty members have appropriate academic and professional skills. Reviewing and improving the new faculty orientation and mentoring programme.
- The Committee Chair will provide the Chairman of the College with an annual report on the committee's work.

Mentor – Mentee Committee

AMC Engineering College has a student mentoring programme in place. All of the instructors are involved in the mentoring process. Depending on the programme, each mentor is responsible for 15 to 20 students. Every mentor keeps track of all the students allocated to them, including their names, USNs, semesters, departments, phone numbers, and email addresses. The mentor has a set of responsibilities to all of the mentees, including career counselling, personal counselling, assistance with any curricular challenges, remedial coaching, and continuous support.
