Report

**Topic: OVERSEAS EDUCATION SOLUTIONS Conducted Seminar on
"HIGHER EDUCATION"**

Date: 29th September 2016

Time: 10:30 A.M.

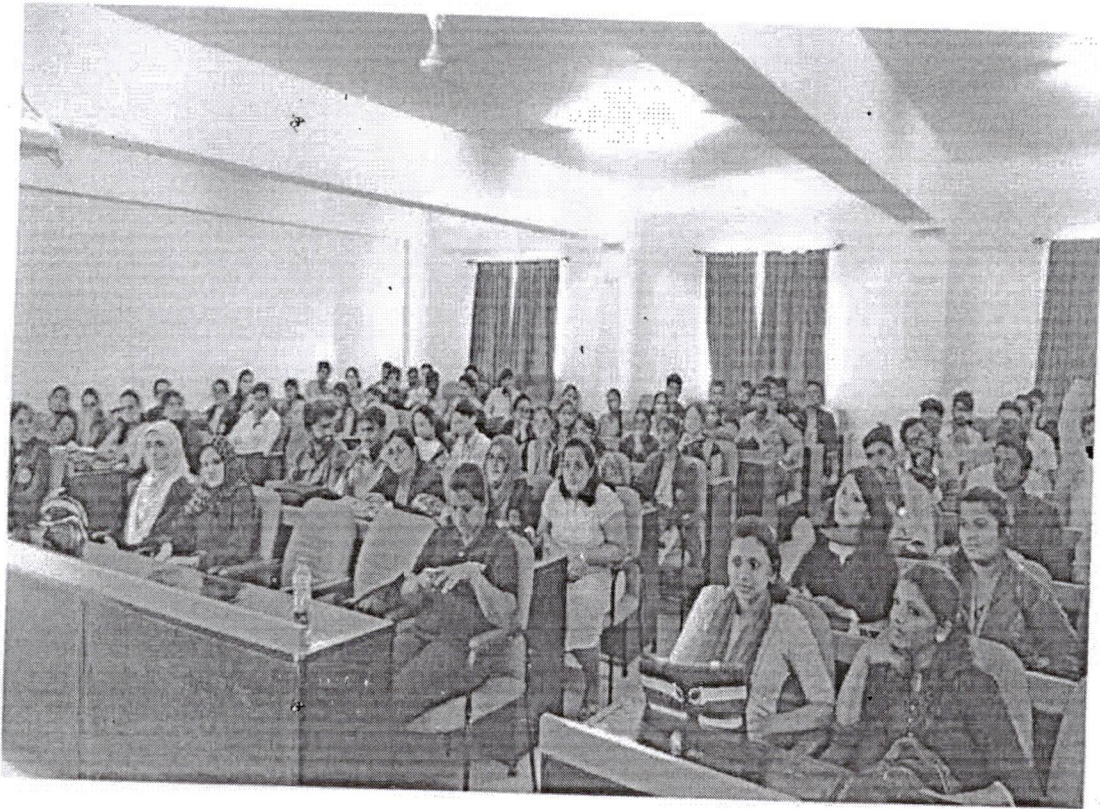

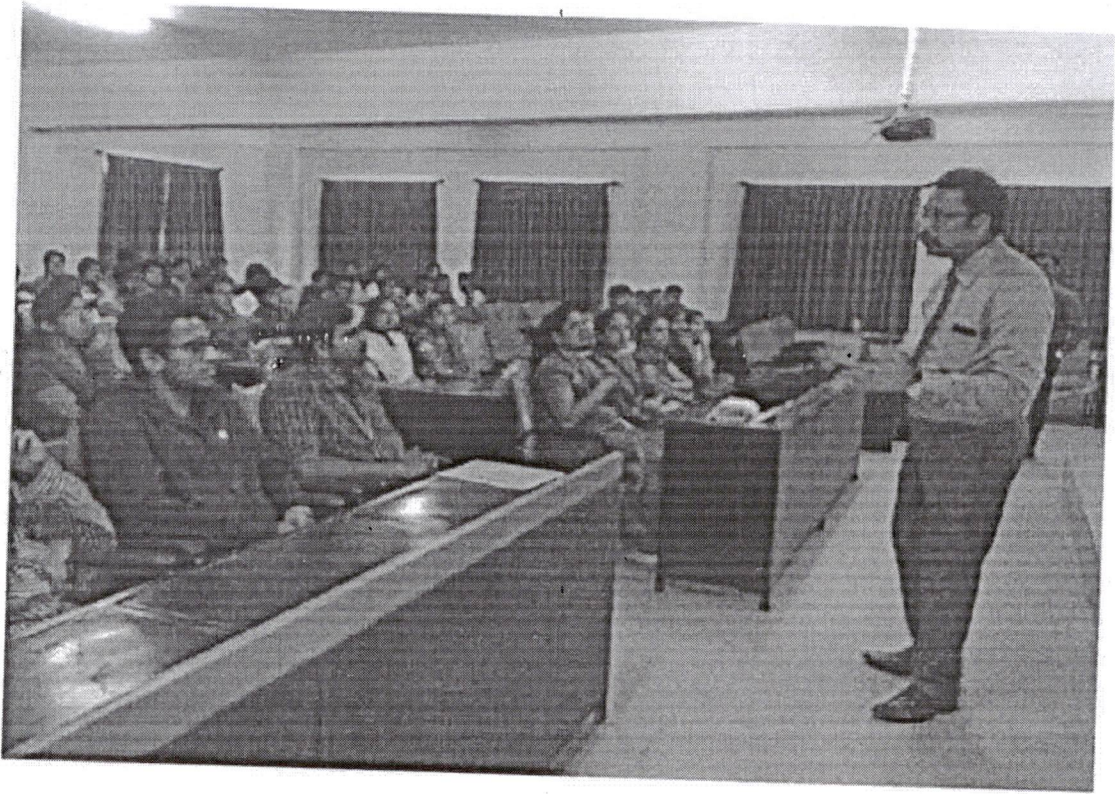

In association with Department of Computer Science and Engineering, AMC Engineering College, Manhattan Review had organised Seminar on "Higher Education" for our Pre-final and final Year students on 29th September 2016.

The speaker of the session was **Mr. Rakesh**, who Senior Team member in Overseas Education Solutions and have 18+ years of Teaching/Training Experience. The Session started by Welcoming the Speaker by our HoD – CSE, Dr. G.G Sivasankari and presented brief Introduction of the speaker.

He gave an idea to set the academic goals for prospective students. Selecting the exact nation and the correct University for studying overseas can be quite challenging. With a vast number of educational courses along with a plethora of options to pursue your higher studies, implementing the right choice can be very overwhelming. But selecting the right country and the proper educational institution abroad is important for your career success. He explained how team helps aspiring students, pick to implement the right decision in selecting the best career and educational institution across the world. He briefed how team do that by providing the best counselling and guidance to help students make the right decision at the right time. Team offer valuable strategies with the help of which our students can get admission with affluence.

The Session got concluded with Vote of Thanks to Speaker and Participants. Students expressed that it was a very fruitful sessions and they greatly benefitted.
