

AMC ENGINEERING COLLEGE

18th K.M. Bannerghatta Road, Kalkere, Bengaluru - 560 083

Short Term Goals

Sl.No.	Short Term Plan	Achievements				
		2016-17	2017-18	2018-19	2019-20	2020-21
1.	To regularly conduct induction programs for newly recruited faculties.		Yearly conduct of induction programs for newly recruited faculties.	AICTE-ISTE faculty induction programs for newly recruited faculties. Received grant of Rs. 3,00,000.	Yearly conduct of induction programs for newly recruited faculties.	Yearly conduct of induction programs for newly recruited faculties.
2.	To recruit experienced faculty members. To ensure Quality education can be delivered as promised.	Recruiting qualified and committed faculty graduated from Recognized Universities NITs and IITs.	Recruiting qualified and committed faculty graduated from Recognized Universities NITs and IITs.	Recruiting qualified and committed faculty graduated from Recognized Universities NITs and IITs. 25 newly appointed faculties in various engineering departments	Recruiting qualified and committed faculty graduated from Recognized Universities NITs and IITs. 25 newly appointed faculties in various engineering departments	Recruiting qualified and committed faculty graduated from Recognized Universities NITs and IITs.
3.	Conduct more FDPs and MDPs, AICTE-ISTE programs in the college.	CSE, ISE, ECE, Mech, EEE depts conducted conferences, FDPs, & industrial visits.	CSE, ISE, ECE, Mech, EEE conducted conference, FDPs & industrial visits.	Last four years, AMCEC faculties attended 523 conferences, written in 254 journals, and achieved 3 patents. Received 282 citations in Scopus, Google Scholar and Web of Sciences.	Faculties have published research articles in journals, conferences, written books and achieved many patents.	Faculties have published research articles in journals, conferences, written books and achieved many patents.

AMC ENGINEERING COLLEGE

18th K.M. Bannerghatta Road, Kalkere, Bengaluru - 560 083

4.	To encourage and support both faculties and students to gain exposure by attending programs in various National and International institutions. To update themselves with the latest developments in Teaching pedagogy, Research and Technology.	CSE, ISE, ECE, EEE & Mech faculties attended national & international conferences & published in national & international journals.	ISE, CSE, ECE, EEE & Mech faculties attended national & international conferences & published in national & international journals. Inauguration of student chapters of Indian Concrete Institute (ICI) and Association of Consulting Civil Engineers, India.	NBA-NAAC Accreditation Process workshop attended by AMCEC faculties under AICTE-RVCE Margadharshan scheme. HOD-Civil dept conferred with Visvesvaraya Ratna award by Honourable Justice Santosh Hegde, 2018. Mechanical professor presented technical paper at international conference on Materials and Technologies on for Energy Conversion and Storage at Bhabha Atomic research Centre, Mumbai, 2018.	NBA-NAAC Accreditation Process workshop attended by AMCEC faculties under AICTE-RVCE Margadharshan scheme. 8 faculties got doctorate. 60 research scholars are there. Research Centres established in all engineering and PG depts. And many research scholars are registered. CSE dept established the IOT Tequed Lab as COE in 2019.	Various NSS activities were conducted like Yoga, Mind control, & sports for first year BE students. •Waste management & Soft skills training was also imparted to first year BE students. AMCEC got two VTU ranks. 10 faculties got doctorate. 55 research scholars are there. Research Centres established in all engineering and PG depts. And many research scholars are registered.

Long Term Goals	
SI.NO.	Long Term Plan
1.	To go for the Deemed to be University status.
	<p style="text-align: center;">Action Taken</p> <ul style="list-style-type: none"> • AMC Engineering College has applied for "Autonomous college" under VTU Belagavi. • Plan to set up "Paramahansa University"
a)	By achieving NAAC and NBA Accreditations for all the departments.
	<ul style="list-style-type: none"> • NBA extended accreditation for ECE, CSE & ISE depts 2022 - 2025. <ul style="list-style-type: none"> • AMCEC was awarded NAAC accreditation B++grade for 5 years from Dec 2016- Dec2021. • NBA accreditation for engineering and Pg departments. • AMCEC has gained Institutional Membership in professional bodies – IEI, IETE, IEEE, ISTE, CSI, SEE, IST, SAE, ACCI, ICI & IGBC.
b)	Strengthen brand image by delivering quality education as promised.
	<ul style="list-style-type: none"> • 20th batch of first year BE Induction program was conducted in 2019 and orientation for C Cycle was conducted by HODs of Chemistry & Physics.2020. • AICTE extended approval for MBA program for the year 2019-2020. • Listed as top engineering college in Career 360 magazine survey with AAA+ grade and achieved 11th position in karnataka.2020. • Obtained rank band (151-200) in NIRF by Ministry of HRD, New Delhi.2020 • Has received Permanent Affiliation from VTU & GOVT. OF KARNATAKA (2019-2025). • The college has been certified 2F and 12b by UGC 2019. • AMCEC has obtained institutional membership in various professional bodies like IOE, IETE, IEEE, ISTE, CSI, SEE, IST, ACCI & IGBC. • Institutional branding through various promotional programs. • Paramahansa Trust has been in education service for more than 25 years. • AMC Engineering College is one of the 5 locations with a total area of 75 acres • Provides services like SC & ST scholarships, scholarships to meritorious students, & provides free seats to meritorious, poor and to the defence personnel.

- Societal contributions of the trust are building several temples, churches and mosques and adoption of various primary and Government High schools.
- The trust has honoured social workers and provided old age pension to the needy.
- AMC Engineering College has got Gold Rating in AICTE-CII Pan India Survey conducted by AICTE for 2018 and 2019
- 'Best Engineering College' under ISTE, New Delhi. 2019
- AMC Engineering College has got 2F Certification from UGC, New Delhi.
- AICTE, New Delhi, has approved 6 UG Engineering Courses with a total intake of 900 for the academic year 2017-18.
- The College has received permanent affiliation from VTU, Belagavi, for 6 UG Programmes and 7 PG Programmes.
- Ranked 151st in the country in NIRF ranking in 2018.
- Ranked 23rd in Edurand survey 2019
- Obtained two VTU ranks in the year 2019.
- VTU rank holders were conferred with Kalluri Manikyam awards every year.
- Students have secured 5 VTU Ranks, One in UG Programme and four in PG Programmes during 16th VTU Convocation during 2017.
- ECE department students secured 2nd, 3rd & 8th rank in 16th VTU Convocation, 2017.
- Inauguration of student chapters of Indian Concrete Institute (ICI) and Association of Consulting Civil Engineers, India, AMCEC - 5th April 2017.
- Inauguration of C-GEETA during National Seminar for Research scholars (Civil Engineering) by Dr. Ganesh Raj, Director Respond, ISRO – 16th March 2017.
- ISTE Best Student Award was conferred to a student in Mechanical Department in Sept 2017.
- ISTE Best Student Award was conferred to a student in Mechanical Department in Sept 2017.
- Best out-Going student of year 2017 was conferred on a student in ECE

		<p>Department.</p> <ul style="list-style-type: none"> • Two ECE students won 8th place in Dr. A P J Abdul Kalam Innovation Awards 2017 at Sri Sai Ram Engineering College, Chennai in 2017. • AMCEC has got 4.5 Stars as rating according to Justdial reviews. 2017 • Inauguration of TCS – ION Project at AMC Engineering College by Dr. K. R. Paramahansa, Chairman, AMC – CITY Group on 15th September 2017. • VTU upgrades course curriculum as per industrial needs. • Student strength in both UG and PG is 3075 in 2017. • AMCEC obtained two VTU ranks for the year of 2019. ISE 7th and MCA 10th rank. • EC student got 'best student' award in ISTE State Level Convention. • Civil engineering students got 'Best Poster National award' on Engineers Day, 2019. • EC students received Second place in IEEE conference. • CSE students won second place in Start-up hackathon sponsored by IIMB. • Received "Excellent Contribution to Education 2016" award from CMAI Association of India & VTU during Karnataka Education Summit & Award.
c)	Going for tie-ups with foreign universities and colleges to facilitate student exchange programs.	<ul style="list-style-type: none"> • MOU established with Harvard Business Review and with Coursera. • Students and faculties are encouraged to go abroad to HBS campus to do their internships and projects as part of student exchange programs. • With Coursera, its mainly to avail online courses by faculties and students.
d)	By offering online courses in various programs.	<ul style="list-style-type: none"> • Swayam NPTEL local chapter since 2018 for engineering & management courses. • Purchased Zoom software in 2020-21 for smooth conduct of online classes. • Entered MOU with Harvard Business Review & Coursera to avail online courses.
2.	Strive to develop a Research oriented environment in the campus-	<ul style="list-style-type: none"> • VTU approved Research centres have been set up in following depts CS, IS, EC, Maths, ME, MBA, chemistry & physics departments. • Interdisciplinary department established to encourage cross-functional research. • Revenue generation through funded projects • To achieve Industry based consultancy.
