#### CERTIFICATE

This is to certify that I have personally verified the claims made by the applicant in Category I & II above. It is found that they are true and correct to the best of my knowledge as per the records available with the institution and the documents enclosed along with this filled in PBAS proforma. I take the whole responsibility for the correctness of the claims made as above.

CERTIFICATE

This is to certify that all the details and information submitted is true and correct to the best of my knowledge. I understand that the selection to the post of Associate Professor/Professor is dependent on the data submitted above and if the data is found incorrect at any time, the Selection will be liable for cancellation. I understand that I am liable for penalization including criminal action for providing wrong/misguiding information as deemed fit by the University.

Total Score obtained in Category II = (a+b+c) =8

Note: The Candidate should enclose certificates for all the claims in Category II from the Head of the institution worked in last five academic years

### CERTIFICATE

This is to certify that I have personally verified the claims made by the applicant in Category I & II above. It is found that they are true and correct to the best of my knowledge as per the records available with the institution and the documents enclosed along with this filled in PBAS proforma. I take the whole responsibility for the correctness of the claims made as above.

### CERTIFICATE

This is to certify that all the details and information submitted is true and correct to the best of my knowledge. I understand that the selection to the post of Associate Professor/Professor is dependent on the data submitted above and if the data is found incorrect at any time, the Selection will be liable for cancellation. I understand that I am liable for penalization including criminal action for providing wrong/misguiding information as deemed fit by the University.

Signature of the Applicant

Dr Saravanan is committed and hard working faculty on the department of mechanical engineering. Executed many of the college level documentation/NBA/NAAC work efficiently. Also a good researcher. I recommend him for further promotion to the principal and management-AMCEC
