"IMAGINATION RULES THE WORLD,
WE ACCOMPLISH YOURS"

MEMORANDUM OF UNDERSTANDING

MEMORANDUM OF UNDERSTANDING (MOU) between
Department of IS, AMC Engineering College, Bangalore-83
and
PRINSTON-SMART ENGINEERS, New-Delhi.

Date: 21st September 2019

I. PURPOSE & SCOPE

To conduct Workshop on WEB and USER INTERFACE DEVELOPMENT according to Program plan and contents that has been communicated through presentation to the concerned.

II. AMC ENGINEERING COLLEGE RESPONSIBILITIES UNDER THIS MOU

To provide infrastructure, resources required for conducting Workshop.

III. PRINSTON-SMART ENGINEERS, RESPONSIBILITIES UNDER THIS MOU

To conduct Workshop on WEB and USER INTERFACE DEVELOPMENT with certificate and soft copy of training material.

IV. EFFECTIVE DATE AND SIGNATURE

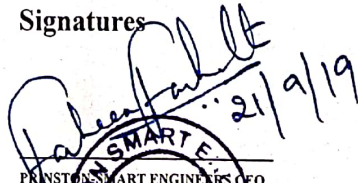

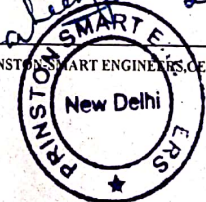

This MOU shall be effective upon the authorized signatories of AMC and PRINSTON SMART ENGINEERS, officials.

V. VALIDITY AND DURATION OF MOU

The duration of this MOU is for 5 years from date and it is the responsibility of Prinston-Smart Engineers and AMC Engineering College IS Department to motivate students to participate in the workshop.

AMC and PRINSTON-SMART ENGINEERS, New-Delhi. indicate agreement with this MOU by their signatures.

Renewal of Memorandum of Understanding (MOU) Of Campus Connect Program

Infosys and AMC Engineering College had entered into a Memorandum of Understanding (MOU) on 23-Dec-11 with respect to enriching the technical education process and to jointly work for enhancing the quality of education imparted to students, faculty and management of selected colleges of the University related to the field of Information Technology (IT). This MoU was subsequently renewed on 22-Dec-13 & 21-Dec-15. The term of MOU will be expiring on 21-Dec-2017. The parties wish to extend this MOU for further period of Two (2) Years, and therefore agree the term of the MOU till 20-Dec-2019.

The Campus Connect MoU has undergone some modifications. The modified version is given along with this. The terms and conditions of the partnership are detailed out in the MoU.

Memorandum of Understanding

This Memorandum of Understanding ("MOU") is between Infosys Ltd, a company incorporated under the laws of India with its registered office at Electronics City, Hosur Road, Bangalore - 560 100, India (hereafter referred to as "Infosys"); and **AMC Engineering College** an engineering college committed to educational excellence having its office **AMC Engineering College, 18th KM, Bannerghatta Road, Bengaluru- 560083, (Opp. Union Bank of India Staff Training College)** (Hereafter referred to as "Partner").

RECITALS:

- A. WHEREAS Partner has been established for the purpose of enriching the technical education process and to jointly work for enhancing the quality of education imparted to students of all the engineering disciplines in the field of Information Technology (IT).
- B. AND WHEREAS Infosys wishes to collaborate with the Partner for the purpose of enriching the technical education in new subject areas, learning-teaching process and to jointly work for enhancing the quality of education imparted to students of all the Information Technology ("IT") disciplines.
- C. AND WHEREAS Partner with assistance from Infosys has goals for enhancing the quality of the technical education for students thereby enabling them to meet the industry needs and to be recognized globally.

NOW THEREFORE THE PARTIES HEREBY ACKNOWLEDGE AND AGREE AS FOLLOWS:

1. This MOU is for collaboration between both parties, for mutual benefit, to enhance the quality of the educational experience of students of the Partner and for the specific purposes detailed in Annexure I of this MOU
2. Infosys shall be responsible for providing the requisite course material, publicity material such as handouts, information brochures and posters and conducting faculty enablement programmes as agreed between the parties.
3. The Partner shall be responsible for providing the requisite infrastructure, network and internet access and any other facility required for the education and training.
4. It is agreed that the terms and conditions of any agreed cooperative project (s) as outlined in Annexure I of this MOU shall be the subject matter of separate definitive agreements to be negotiated and agreed upon by the Parties and/or any third parties, wherever applicable, provided always the decision whether to initiate and/or implement any proposed cooperative projects shall be subject to the availability of funds and human resources on the part of each Party.
5. The parties, their representatives, and/or assignees, following the execution of this MOU, desire to maintain close contacts with each other to achieve the goals and objectives of, and to develop the ideas acknowledged in this MOU.
6. Both parties hereby agree to designate a representative from its side who will be the primary point of contact on behalf of that party.
7. Any expenses incurred by the parties for the purpose of this MOU shall be agreed upon and shall be borne as per the mutual agreement.
8. Notwithstanding any other provision of this MOU, neither party shall have any right to use any trademarks or trade name of the other party, nor to refer to this MOU or the obligations performed hereunder directly or indirectly, in connection with any product, promotion, or publication without the prior written approval of the other party
9. All information which has been disclosed to or obtained by either party at any time during the implementation of this MOU, is confidential information. For this purpose the parties agree to sign the binding non-disclosure agreement in Annexure II.

10. The terms and conditions mentioned herein shall commence on the execution of this MOU and shall continue for a period of two (2) years from the date thereof or for such period as may be determined or extended by the parties from time to time by written notice, unless terminated by either party in accordance with this MOU. Either party may terminate this MOU at any time by providing three (3) months written notice to the other party.
11. Any notice required to be given hereunder shall be in writing and shall be deemed to be sufficiently served on the party if sent by hand or by registered post to the addresses of the party as stated in this MOU. Notices shall be deemed received:-
 - (i) If sent by registered mail, three (3) days after posting;
 - (ii) If by hand, on the day of delivery; and
 - (iii) If sent by telex or facsimile to the correct number or designated address within seventy-two (72) working hours.
12. Both parties agree to take all reasonable steps to ensure the successful completion of the collaboration, and co-operate with each other in duly carrying out the obligation agreed upon.
13. The expiration and termination of this MOU will not affect the terms of those activities, which are in progress at the time of notification of expiry or termination of the MOU.
14. On the termination or expiry of this MOU or when requested by Infosys, the Partner undertakes to return all materials to Infosys without any delay.
15. Each party shall ensure that they do not actively solicit the faculty of the other party who is involved in the implementation of this MOU during the period of such faculty's involvement with the program and for six (6) months thereafter.
16. Both the parties agree that Infosys is not obliged on account of this MOU to recruit any fixed number of students from the Partner.
17. This MOU is an indication of good faith and intent on the part of both parties and does not create any legal obligations between them. In the event of any differences or disputes arising from the implementation of the provisions of this MOU, the parties shall as far as possible settle such differences or disputes in good faith by consultation or negotiation between the parties.
18. Save and except for Clause 6, Clause 7 and Clause 8, this MOU is not a legally binding contract and under no circumstances does this MOU subject either of the parties to liability for breach, whether material or minor, of contract or any other liability under international law or the laws of the country of the respective parties or any other applicable law.

19. The parties hereby agree that they are not bound exclusively by this MOU and are at liberty to enter into any separate agreements or arrangements with any third party without reference to the other party.

In written whereof both parties put their hard seal on the day, month and year herein mentioned.

ANNEXURE I**PURPOSE / SCOPE OF THE COLLABORATION:**

Infosys shall facilitate and share inputs with University / College for imparting technical and soft skills training to the students. The content of the training programs and the Faculty Enablement will be done by Infosys. The details shown in Annexure I are only indicative guidelines, and Infosys may change the following at short notice at its discretion.

There will not be any cash incentive for the faculty members involved in the training programs (Technical / Soft Skills) at the institution. However, value-added offerings will be there to motivate the faculty members.

Student / Education

1. Create a project bank for final year students
2. Publish Infosys courseware On the Web and provide access
3. Conducting special lectures for students at campuses
4. Participate in Conferences at the national/international level in the college / Seminars/ Contests
5. Increase employability by providing technical and soft skills training
6. Encouraging the students to visit Infosys Campuses

Faculty

1. Sharing Industry oriented-courseware and Technology
2. Faculty Enablement Program
3. Sabbaticals at Infosys
4. Interaction with subject matter experts

University / College

1. Share best-in-class standards (a) College-college (b) Industry-college
2. Books / CDs / DVDs etcforthe library
3. Strengthen relationship with Universities / Colleges
4. Work with education bodies / universities to align the industry requirements into the college curriculum

ANNEXURE II

MUTUAL NON-DISCLOSURE AND CONFIDENTIALITY AGREEMENT

This is an agreement ("Agreement" hereafter) between:

- **INFOSYS LIMITED**, with its registered office at Electronics City, Hosur Road, Bangalore 560 100 ("Infosys") including its successors; and **AMC Engineering College** operating out **AMC Engineering College, 18th KM, Bannerghatta Road, Bengaluru – 560083, (Opp. Union Bank of India Staff Training College)** ("Partner") including the Partner's employees, affiliates and successors at the time of the entering the agreement and during the tenure of the engagement, that is effective 21-Dec-2012.

The parties possess competitively valuable Confidential Information (as hereinafter defined) regarding their past, current and future services and products, research and development, customers, business plans, software, listings, holdings, alliances, investments, transactions, intellectual property and rights associated thereto and general business operations. The parties wish to enter into a mutually beneficial relationship, and as such, wish to share their Confidential Information with the other party, including its authorized employees and agents. For the purposes of this Agreement, the party that discloses Confidential Information to the other party shall be referred to as the "Disclosing Party", and the party that receives such Confidential Information from the other party shall be referred to as the "Recipient".

The Recipient may be given access to the Disclosing Party's Confidential Information or to create new Confidential Information for the Disclosing Party.

In view of the above, the parties agree as follows:

1. Confidential Information

"Confidential Information" includes any information:

- specifically indicated by the Disclosing Party, either verbally or in writing, as confidential;
- under the circumstances of the disclosure, that are to be treated as confidential; or
- the Recipient creates or produces while performing its obligations under this Agreement, regardless of the media that contains the information.

Confidential Information does not include information, which:

- is generally available to the public at the time of its disclosure to the Recipient;
- becomes known to the public through no fault/action of the Recipient in violation of the terms herein;
- is legally known to the Recipient at the time of disclosure by the Disclosing Party;
- is furnished by the Disclosing Party to third parties without restriction; or
- is furnished to the Recipient by a third party who to the Recipient's knowledge legally obtained said information and the right to its disclosure.
- is developed independently by Recipient without use of or reference to the Disclosing Party's information.

2. Restrictions on Use

- (a) The Recipient will not disclose any Confidential Information to third parties for any purpose without the prior written consent of the Disclosing Party. However, where the Recipient is required to disclose Confidential Information in accordance with judicial or other governmental action, the Recipient will give the Disclosing Party reasonable prior notice unless such notice is prohibited by applicable law.
- (b) The Recipient will not use any Confidential Information for any purposes except those expressly contemplated or authorized by the Disclosing Party.
- (c) The Recipient will take the same reasonable security precautions as it takes to safeguard its own confidential information, but in no case less than reasonable care.
- (d) The Recipient undertakes to impose the confidentiality obligations on all directors, officers and employees or other persons who work for the Recipient or under its direction and control, and who will have access to the Confidential Information.
- (e) The Recipient will return all originals, copies, reproductions and summaries of Confidential Information in its control, or confirm its destruction as requested by the Disclosing Party.

3. Action on Breach

- (a) The Recipient will notify the Disclosing Party immediately upon discovery of any breach of this Agreement by the Recipient, and will cooperate in every reasonable way to help the Disclosing Party regain possession of the Confidential Information and prevent further breach.

- (b) The Disclosing Party will be entitled, without waiving any other rights or remedies, to seek such injunctive or equitable relief as may be deemed proper by a court of competent jurisdiction.

4. Ownership and Warranties

- (a) All Confidential Information, including the inherent intellectual properties, remains the sole and exclusive property of the Disclosing Party and the Recipient shall no right, title or interest in the same. Similarly, the Disclosing Party does not own any of the intellectual property of the Recipient, including any proprietary methodologies, tools or practices, unless otherwise agreed.
- (b) The Disclosing Party, unless expressly confirmed, makes no warranty regarding the accuracy or reliability of Confidential Information.

5. Applicability of Provisions

- (a) The provisions of this Agreement are jointly and severally applicable and will not be considered waived by any act or acquiescence, except by a specific prior written confirmation. Accordingly, both parties will expressly agree in writing to any changes in the Agreement.
- (b) If any provision of this Agreement is held illegal, invalid or unenforceable by law, the remaining provisions will remain in effect. Moreover, should any of the obligations of this Agreement be found illegal or unenforceable for any reasons, such obligations will be deemed to be reduced to the maximum duration, scope or subject matter allowed by law.
- (c) If any action at law or in equity is necessary to enforce or interpret the rights arising out of or relating to this Agreement, the prevailing party shall be entitled to recover reasonable attorney's fees, costs and necessary disbursements in addition to any other relief to which it may be entitled.

6. Jurisdiction

This Agreement will be governed by the laws of India on all substantive aspects, and both parties consent to the jurisdiction of the courts in Bangalore.

7. Tenure and Survival

All obligations created by this Agreement shall survive change or termination of the parties' business relationship for a period of two years from the date of the disclosure of the Confidential Information or the change in/termination of the business relationship of the parties whichever is later.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement by their duly authorized representatives as of the date first set forth above.

(7) Associations Of Consulting Civil Engineers (2016-2017)

This Memorandum of Understanding (MoU) is made on this day of 14th October 2017

BY AND BETWEEN

ASSOCIATION OF CONSULTING CIVIL ENGINEERS (INDIA) - BANGALORE CENTRE, KARNATAKA

And

AMC ENGINEERING COLLEGE, BANGALORE

WHEREAS

- **AMC ENGINEERING COLLEGE**, an educational institute with the objective of imparting, quality education for Engineering Students, intends to continue the same to benefit the society. Civil Engineering Department at AMCEC is committed **"To Impart knowledge & training in Civil Engineering with global perspective & make the students Industry Ready"**.

ACCE(I), within its objectives of disseminating knowledge and technologies has approached **AMC ENGINEERING COLLEGE** to offer Students Mentoring Program (SMP) and **AMC ENGINEERING COLLEGE** has agreed to provide facilities for the same. The purpose of this MoU will be to recognize that the Association of Consulting Civil Engineers (I) Bangalore Centre and AMC Engineering College, who are in the process of discussion, have agreed to collaborate in the sphere of their respective system of engineering technology and training.

It is envisaged that collaboration is extended to conduct student mentoring programs to the UG students of civil engineering in the areas as per the SMP Module's by mutual consent.

This MoU establishes the framework for future co-operation, while specific initiatives, projects or opportunities arising from this MoU will be discussed, agreed and negotiated in the form of separate agreements.

During operation of this MoU, both parties may nominate their respective faculties or engineers of their organizations from time to time to develop initiatives under this MoU.

to be conducted time being in force and be held in Bengaluru to be conducted in the English language. The award pronounced jointly by the Chairman, ACCE (I) Bangalore Centre and Principal, AMC ENGINEERING COLLEGE shall be final and binding on the parties.

The term of this agreement shall come into force on the date of signing and shall remain valid for a period of three years, unless either party advises the other of its desire to terminate it earlier. This MoU will be reviewed after 36 (thirty six) months and the same can be extended for a further period of three years or more as may be mutually agreed.

The parties to the proceeding of arbitration shall bear their own cost.

‘MEMORANDUM OF UNDERSTANDING’

This Memorandum of Understanding (MOU) is made between AMC Engineering College (AMCEC), established under the Paramahansa Foundation Trust and located in 18th KM, Bannerghatta National Park Road, Bengaluru-560083, Karnataka, India.

AND

Aquarelle India Pvt. Ltd located at Kallubalu Village, Jigani Hobli, Anekal Taluk, Bengaluru-560105, Karnataka, India.

This MOU is made to deliver Industrial Automation Consultancy and also for the students to get Hands-on Experience.

In this connection the following points are agreed upon:

1. Objectives:

- To offer Automation Assistance to the industry.
- To increase the production rate through automation with respect to set targets within the time constraints.
- To provide Industry Access to AMCEC Students to assist Aquarelle India Pvt. Ltd in establishment of industrial automation for their production line.
- To provide internship to students to understand the current industrial trends.
- To effectively support R&D team for the above purpose to provide necessary infrastructure, facilities, raw material funds and machines during the course of developments of concepts and prototypes.

2. Recitals:

- AMC Engineering College is an institution engaged in imparting education to develop professional skills and prepare the students/employees for immediate employment and provide them with a solid foundation with further education.
- Aquarelle is an apparel company engaged in manufacturing casual shirts and providing the best quality of shirts to the market.
- The purpose of this agreement is with reference to defining the areas of co-operation benefiting both AMC Engineering College and Aquarelle Pvt Ltd.

3. Scope of Agreement:

AMC Engineering College:

- To provide infrastructure (training rooms/labs/systems/software's available)
- To provide design and prototype concepts and product level assistance by experts, resource persons and students.
- To provide students and faculties for their onsite visits for identification of need statements, prototypes, testing and installations.
- Keeping all designs and date confidential to outside world.

Aquarelle Pvt. Ltd:

- To provide all necessary infrastructure, facilities, raw materials, hardware's, funds, machineries for research and developments, prototypes and products purposes to college, students and faculties which is based on Aquarelle Management approval. Aquarelle management has the full rights to accept or reject the project funding.
- Design and prototype equal credits to be provided to INCUBE & Aquarelle. No financial liabilities between Aquarelle & AMC.
- All developments will be purely property of Aquarelle only
- To provide internships and industrial exposures to students if necessary and certification documents for same.
- Industry should extend its support event of Industry Interaction when necessary.

4. General Agreements:

- Both the parties agree that no action/failure on either part, to act relating to the above proposal, will give raise to/serve as the basis for any claim, obligation or liability on either side.
- This agreement may be amended with the prior written consent of both the parties.
- Either party can cancel or terminate this Agreement by giving an advance notice of three months to other with proper justification for such act.

5. Notices:

All notices, requests and other communications under this agreement or in connection herewith, shall be given to the respective parties as follows:

To,
Principal,
AMC Engineering College,
18th K.M, Bannerghatta Main Road,
Bangalore - 560 083

To,
Chief Executive Officer,
AMC - CITY Group of Institutions,
18th K.M, Bannerghatta Main Road,
Bangalore - 560 083

To,
Director,
Aquarelle India Pvt. Ltd,
Kallubalu Village, Jigani Hobli,
Anekal Taluk,
Bengaluru - 560 106.

6. Review:

For smooth and efficient functioning and implementation of MOU, both the parties shall meet at regular intervals and review the progress, also to take action to remove the difficulties/constraints if any implementing the MOU.

In witness whereof those present have been entered hereto, on the day and year first herein above, written under their respective seal of office.

MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

AMC ENGINEERING COLLEGE, Bengaluru

AND

MAXPERTISE TECHNOLOGY LABS PVT. LTD., Bengaluru

,This MOU is entered into on the 27 day of 12, 2017 by and between

AMC Engineering College, Bengaluru

18th K.M. Bannerghatta Main Road, Bengaluru, Karnataka 560 083 (*hereinafter referred to as "The Institute"*)

And

Maxpertise Technology Labs Pvt. Ltd., Bengaluru.

A Pvt. Ltd. Company incorporated the Companies Act, 2013, having its registered office at 19/83, 2nd Main Road, TC Palya Main Road, MV Layout, Anandapura, Bengaluru, Karnataka, India, 560036 (*hereinafter referred to as "The Authorised Training Partner"*)

❖ **Objective / Purpose of the MOU:**

- The purpose of this MOU is to offer Industry/Job oriented skill developemnt programs (Trainings & Workshops) by "The Authorised Training Partner" for the Mechacnial Engineering students of "The Institute" in the areas of Product Design and Development
- The list of Industry/Job oriented skill developemnt programs (Trainings & Workshops) are mentioend below:

Design Skills	FE Analysis Skills	Manufacturing Engineering Skills	Soft Skills / Personlaity Development	Employability Skills	Others
---------------	--------------------	----------------------------------	---------------------------------------	----------------------	--------

MEMORANDUM OF UNDERSTANDING (MOU)
BETWEEN
AMC ENGINEERING COLLEGE, Bengaluru
AND
MAXPERTISE TECHNOLOGY LABS PVT. LTD., Bengaluru

Design Skills	FE Analysis Skills	Manufacturing Engineering Skills	Soft Skills / Personality Development	Employability Skills	Others
<ul style="list-style-type: none"> ✓ DFMA (Design for Manufacturing and Assembly) ✓ GD&T (Geometric Dimensioning & Tolerancing) ✓ FMEA (Failure Mode & Effects Analysis) ✓ Concurrent Engineering 	<ul style="list-style-type: none"> ✓ Pre-processor ✓ Import Design part / Assembly ✓ FE modelling ✓ Assign Loads & Bc's ✓ Solving using solver tools depending upon the type of Analysis ✓ Post-processing ✓ Report preparation ✓ Validation of Analysis using classical approach / Hand calculations 	<ul style="list-style-type: none"> ✓ Jigs & Fixtures Design ✓ Press Tool Design ✓ Process Planning / Methods Engineering 	<ul style="list-style-type: none"> ✓ Communication Skills 	<ul style="list-style-type: none"> ✓ Resume Writing Skills ✓ Interview Skills 	<ul style="list-style-type: none"> ✓ Guidance for Final Year Project in association with Industries ✓ Engineering Services Professional – Design – Stress

❖ **Roles, Responsibilities and Services to be provided by "The Authorised Training Partner"**

- "The Authorised Training Partner" will conduct Industry/Job oriented skill development programs to the students of "The Institute" and shall be responsible for
 - Quality of Training, Trainer & Training Material
 - Certificates of Participation

❖ **Roles, Responsibilities of AMC Engineering College, Bengaluru**

- "The Institute" will support "The Authorised Training Partner" and shall be responsible for
 - To provide the necessary Infrastructure (Training Room/Lab with Overhead Projector, Computers with necessary Softwares installed) for skill development programs
 - To enrol students for the skill development programs

MEMORANDUM OF UNDERSTANDING (MOU)
BETWEEN
AMC ENGINEERING COLLEGE, Bengaluru
AND
MAXPERTISE TECHNOLOGY LABS PVT. LTD., Bengaluru

- o To support delivery of training through allocation of time for classes during the semesters
- o To provide administrative support for delivery of skill developemnt programs

❖ **Details of Skill Development Programs (includes Course Details, Location, Duration & Commercials)**

Skill Category	Course Title	Course Type	Course Location	Course Duration, Hours	Course Fees per Student	Remarks
Design Skills	1. DFMA (Design for Manufacturing and Assembly)	Training	The Institute	24	₹ 2,000 + GST	Minimum Batch Size = 50 Students
	2. GD&T (Geometric Dimensioning & Tolerancing)	Training		32	₹ 2,500 + GST	
	3. FMEA (Failure Mode & Effects Analysis)	Seminar		16	₹ 2,000 + GST	
	4. Concurrent Engineering	Seminar		16	₹ 2,000 + GST	
FE Analysis Skills	1. Linear Static Analysis 2. Modal Analysis 3. Buckling Analysis	Training	The Institute	32	₹ 2,500 + GST	Minimum Batch Size = 50 Students
	4. Hand calculations / Classical approach	Seminar		40	₹ 3,000 + GST	
Manufacturing Engineering Skills	1. Jigs & Fixtures Design	Training	The Institute	24	₹ 6,000 + GST	Minimum Batch Size = 50 Students
		Workshop		40	₹ 15,000 + GST	
	2. Press Tool Design	Training		16	₹ 6,000 + GST	
		Workshop		40	₹ 15,000 + GST	
	3. Process Planning / Methods Engineering	Training		16	₹ 6,000 + GST	
Workshop		32	₹ 12,000 + GST			
Employability Skills	1. Resume Writing Skills	Training	The Institute	8	₹ 2000 + GST	Minimum Batch Size = 50 Students
	2. Interview Skills	Training		8	₹ 2000 + GST	
		Workshop		24	₹ 5000 + GST	

MEMORANDUM OF UNDERSTANDING (MOU)
BETWEEN
AMC ENGINEERING COLLEGE, Bengaluru
AND
MAXPERTISE TECHNOLOGY LABS PVT. LTD., Bengaluru

Skill Category	Course Title	Course Type	Course Location	Course Duration, Hours	Course Fees per Student	Remarks
Others	1. Guidance for Final Year Project in association with "The Institute" and Industries	Project Work	The Authorised Training Partner Center	80	₹ 10000 + GST	Minimum Batch Size = 4 Students
	2. Engineering Services Professional – Design <ul style="list-style-type: none"> o Design of Machined Parts, Sheet Metal Parts & Plastic Parts o DFMA, GD&T o Overview of Manufacturing Engineering o Communication Skills 	Training (T) + Workshop (W) + 1 month Internship (I)	The Authorised Training Partner Center	80 (T) + 80 (W) + 80 (I) (Total = 240)	₹ 75,000 + GST	Placement Assistance provided for academically strong students (Minimum 60% aggregate marks + Not failed in any of the subjects)

- The course fee shall be shared between "The Institute" and "The Authorised Training Partner"
 - o "The Institute" = 30%
 - o "The Authorised Training Partner" = 70%
- 100% of the course fee should be paid in advance (prior to commencement of the skill development program)

❖ **Duration and Modification of MOU**

- The Partners ("The Institute" and "The Authorised Training Partner") agree that the terms of this MOU are effective upon date of signature and will continue to be in effect for current year until 31st March 2022, unless modified or terminated by mutual agreement.
- Any partner to the MOU may request a modification of its terms with a written request. MOU can be amended, signed and acknowledged by both parties with mutual agreement.
- Either party may cancel this MOU at any time for cause, or may cancel the MOU without cause with a 30 days of written notice.
- This MOU is meant to outline only general roles and responsibilities. Each party hereby agrees that specific program delivery strategies will be mutually agreed upon in the future and may be added as an attachment to this MOU.
